

SIX STRING ORCHESTRA
With apologies to Harry Chapin

D **Em**

The very day I purchased it / I blessed my guitar

A **D**

As my monophonic symphony / Six string orchestra

D **Em**

In my room I'd practice late / And so I would disappear

A **G** **A** **D**

My mother said, "Can you play solo / So Low that I can't hear?"

F#m **Em**

I'd play at all the open mics / I'd finish, they'd applaud

Bm **F#m** **E** **A**

Some called it muffled laughter / I just figured they were in awe

D **Em**

So I went up for an encore / But they screamed they'd had enough

A **G** **A** **D**

Well maybe I just need a group / To help me do my stuff

G **D**

And so I'd dream a bass would join me / and fill the bottom in >

G **D** **E** **A** (A-Ab)

And maybe now we could add some brass / So it would not sound so thin >

G **D** **Bm**

I need some drums to set the beat / And help me keep in time >

Em **D** **G** **A** **D**

And way back in the distance / Some strings would sound so fine

G **D**

And we would play together / Like fine musicians should

G **D** **E** **A** (A-Ab walkdown)

And it would sound like music / And the music would sound good

G **D** **Bm**

But in real life I'm stuck with / That same old formula

Em **A** (band drops out) **Em** **A** **D**

Me and my monophonic symphony /

Six string orchestra

Oh, I would sing Hebrew songs for my favorite girl / And sing them soft and slow
But before I get to finish / She says she has to go
She's nice and says "Excuse me / I've got to find a bar
I think I need to have a drink / Before I hear you play guitar"

So I searched so high and low / For Musicians near and far
I added **keys** and **accordion** / To play over my guitar
Then finally it dawned on me / Just hear wheat my momma says
Hey Neal you're gonna need a **clarinet** / To truly play some klez

<Clarinet solo break>

And so I'd dream

So I took a bunch of guitar lessons / And my teacher took a leave
It was something about a break down / Or needing a reprieve
But I know I found my future / Here in Tyler, yeah that's right
And hold onto my dream of / Playing klezmer here tonight
